

# 5<sup>th</sup> MOTIE – ADB Joint Energy Forum

For the inclusive collaboration between Asian Development Bank (ADB) and Ministry of Trade, Industry & Energy (MOTIE, Korea), two parties signed an MOU in 2013, and agreed to co-host annual Joint Forum, giving Asian high level policy makers, experts and Korean companies an occasion for in-depth exchanges on issues of mutual interest in Asia and Pacific region.

Since 2012, four forums have been organized in Seoul annually to cover a wide range of issues on the ICT, renewable energy, energy efficiency and mutual cooperation opportunities between two parties.

This year's 5<sup>th</sup> forum, hosted by the two parties will focus on the prospects for Energy policy for sustainable future, Issues on Clean Energy, and Energy financing and Business. Collectively, the forum is centered on the theme "Achieving Energy Transition for Sustainable Development." It is important that we continue to share knowledge and building on expert community in order to support the role of clean energy for a more sustainable future in developing Asia and the Pacific region.

## **5<sup>th</sup> MOTIE-ADB Joint Forum Partners are:**

Asian Development Bank,

Ministry of Trade, Industry & Energy, Korea
